- Free tuition for tribal members only.
- UTTC provides free tuition. There are tribal colleges that give free tuition. SGU should move to free tuition 100 %. Treat non- native students as foreign students, then you can bounce up their tuition payment.
- The problem is tribal citizens, citizenship is based on enrollment. Acknowledging the role of adjuncts. It's a changing landscape.

## 1. Division Reporting:

### ❖ Dean of Academics

- Proposal: Disk Golf course within walking distance. What space does SGU own that we can turn into this? In front of the highway, or back behind the daycare center. Designed by Sicangu. Start planning and hopefully build something this summer.
- Phil had an input and is in favor of it. Bring back student life. Recruitment tool.
- Drone clubs.
- Dan invited them down to come and look at the land. Estimate cost: 15-20 grand. Manual labor. Student activity fees. Take donations, through scan. Let's explore. Free tuition for the summer, and internet stipend. The cost of living has increased.

### ❖ V.P Tribal Nations

### ❖ V.P of Academic Affairs
