Discussion: Presentation of revised ED 220 *Geography for Teachers* being offered this summer with PLO being the final exam. Change was recommended to the course description wording which would generalize teaching to children, not only specifically Lakota children. Regarding course objective #5, change of the wording was recommended to avoid comparing and contrasting regional differences with life on the “Rosebud Reservation” specifically.

Action Items: Motion to approve ED 220 *Geography for Teachers*, with the recommended corrections, made by Lisa, and seconded by Shannon. All were in favor. Motion carried by unanimous vote.

Meeting adjourned at 12:15 pm.
