SINTE GLESKA UNIVERSITY Child Care Center

PO BOX 105 ROSEBUD SIOUX RESERVATION MISSION, SD 57555-0105 TELEPHONE (605) 856-2733

Hello Students, Staff and/ or public. The Child Care Center would like your suggestions and any ideas on what we can do to service the staff/students and public in providing childcare services: i.e hours, opening up to non-student/staff, activities.

We're currently licensed for 20 children and the age range is from: 6 mos. to 11 years of age. The SGUCCC fees for childcare services are: 6 mos. to 2 yrs. - \$2.00 & 3 yrs. to 11 yrs. - \$1.90.

The SGUCCC staff has a combined 35+ years in Early Childhood education & being a childcare provider. There are weekly lesson plans developed in early learning guidelines and on our Lakota culture. With that being said we want to help your child accomplish learning goals that will help them when they enter into Head Start and keep them learning in any developmental areas to help them succeed in school.

So please feel free to write any suggestions, ideas or comments and return to daycare or Admin bldg. in our mailbox so that we can start to better serve our staff/students and community.
