ESTABLISHED DECEMBER 1970

ACCREDITED BY THE  
THE HIGHER LEARNING COMMISSION 1983

RECOGNIZED AS A  
1994 TRIBAL LAND GRANT INSTITUTION

## CARES ACT

Sinte Gleska University completed the application process for the CARES Act, Section 18004(a)(1), that will provide emergency financial aid grants to students to help ease costs and expenses related to the disruption of campus operations. SGU ensures that we intend to disperse these funds for the students who were registered during the Spring 2020 semester. Eligible students must have been enrolled after March 23, 2020.

The institution has received \$192,980 in emergency aid due to COVID-19. These funds must be used throughout the upcoming semesters as student grants to help continually provide the education that has been promised to our students.

For the Spring 2020 semester, emergency financial aid grants will be distributed equally to all students who were registered after March 23rd, in the amount of \$79,800. There is a total of 532 students between our main campus, and the two additional locations (Lower Brule Community College and Ihanktonwan Community College). The methodology used to decide the distribution of these funds, is to give it equally to every student, as many people are struggling in the current economic environment. In addition, the funds will be distributed in during the 2020-2021 semesters to alleviate as many costs as possible during the ongoing pandemic.

The COVID-19 Emergency Funding is available to you as a student to help pay for food, housing, Internet access, and other needs that are impacting your need to work on your education. We have a limited amount of money available, and Sinte Gleska University will be identifying all eligible students and making assistance available to them. As a student enrolled in the 2020 Spring and Summer Sessions, there will be no application for you to fill out.
