

**SINTE GLESKA UNIVERSITY**  
**POSITION DESCRIPTION**

---

---

**POSITION: Adjunct Faculty, Ecology (BI 310)**

DEPARTMENT: Computer & Environmental Science

SUPERVISOR: Department Chairperson

Classification: Adjunct Faculty

Contract: Per Semester

---

---

**JOB SUMMARY:** Prepare and teach lecture/lab course in Ecology (4 credits) during Fall 2018 semester.

*Course Description:* A study of the interaction and interrelationship of living organisms and their physical environment. Topics covered include a study of the abiotic environmental factors; population, community and ecosystem interactions; a study of energy flow and nutrient cycling; and a tour of the ecosystems. Includes lecture and lab.

**DUTIES & RESPONSIBILITIES:**

1. Prepare and teach assigned adjunct course.
2. Be available if students have questions.
3. Keep current and professionally engaged in area of expertise.
4. Engage with SGU functions such as departmental responsibilities, committee assignments, and other assignments in accordance with department and/or university mission.
5. Other duties as assigned in the performance of his/her responsibilities and as mutually agreed upon to the benefit of Sinte Gleska University.

**QUALIFICATIONS:**

Faculty must possess credentials one degree beyond the courses they teach - or possess appropriate and relevant experience and/or expertise. At a minimum, Master's degree in Environmental Science or Biology or a related science field.

Faculty members work in a team-oriented department and engage collegially with colleagues, staff and members of administration. Faculty must possess cultural competencies with reference to working with Lakota and/or Native American people and respective organizations within reservation boundaries or must possess a willingness to learn.
