Results of SGU Student Survey, April 2015, N = 185

This PPT presents key results of the SGU student survey conducted in March-April 2015. Surveys were compiled by Bianca McCloskey. Among those working to collect surveys from students were Vanessa Sully, Student Association Chair and Board of Regents member, and others. Sherry Red Owl, VP Community Services, worked on the presentation of results, as did several others. Wopila to those who designed this survey, ensured that students completed it, compiled it, and presented it. Data from this survey were presented at the All Staff meeting of April 24, 2015 and the entire results were distributed via email to all employees during the week of April 17, 2015. Results of this survey will be considered during the strategic planning process and during the end-of-semester data analysis sessions, soon to be announced.

Disclaimer: The student survey was not random. It represents the non-random responses of 185 students out of SGU’s enrollment of over 700 students for spring semester, 2015. No claim is being made that the results are scientifically valid.
Course loads, respondents to student survey, April 2015, N = 185

- 76% of respondents had 6 or more classes
- 11% had 3 classes
- 6% had 5 classes
- 6% had 4 classes
- 2% had 1-2 classes
