REPORT BY TED HAMILTON, EXECUTIVE VICE PRESIDENT

Mr. Hamilton presented a verbal report on documents he shared with Board members followed by questions and discussion.

--gave a report on the ‘Operating Relationship Contract between Ihanktonwan Community College and Sinte Gleska University 2022-2023 Academic Year’ (attached). Tony Garcia, President of Ihanktonwan retired. Currently advertising for two full-time employees. Talked with Karen Solem, HLC about helping ICC become their own stand alone institution. The HLC liaison recommends to realistically plan for 8 years for ICC to go through the process of applying for and receiving accreditation.

--Have about 60 ICC students looking to become graduates. Their tribe is paying for two full-time faculty.

--Financial aid awards are being made. Making sure appropriate instructional personnel have current transcripts, review, course syllabi.

--Recommend the Board meet with ICC twice a year. Possibly in September and at the end of the Spring term. Have the Board Chairs negotiate the dates and time.

--Contract between ICC and SGU have to be done by September.

--Shared governance in theory & policies. Committee meeting minutes will be posted on the webpage.

(Donna Hollow Horn Bear joined the meeting at 1:50 p.m.)

--Request a copy of Routing Slip from Ted and e-mail to Board members.

--Request the Board pass a motion to approve the “Shared Governance Process” (attached). Give the Board time to review and put on the agenda for the August 19th, 2022 meeting.

--Mr. Hamilton explained the Personnel Policies & Procedures will be divided into sections/parts and reviewed for recommended changes. Name changes do not require Board approval. Anticipate it will take a year to do a policy review and then it will be an on-going process.
--Bookstore will create their own audit structure.

--Jenzabar is a software program providing assistance in the two areas of the institution and provides a host of services such as the academic area, data collection and the financial area. Plans are to move MIS into the Student Services building and hopefully have on-line registration in place by this Fall. Registrar’s Office and Jenzabar personnel have to work close together.

--Presented and discussed the proposed organizational chart (attached). (Put on the agenda for the next meeting).

--Discussion pertaining to the employee evaluation form. Ted does not agree with the form which does not create a dialogue with the employee(s). Would like to begin the review process in February with contracts out in May. Chairman requests the Board do individual evaluations on the President and Board Secretary.

--Graduation is set for August 26th, 2022 with a limit of 2 people per graduate. Create a tracking system with a plan for safe distancing. Will have few speakers: a statement from the President, speech from a valedictorian, retiring faculty, and tribal chairman. There will be no feather tying due to time constraints. Everyone in attendance must be fully-vaccinated and wear masks. Encourage the public to watch on livestream.

Motion #: 04:08:12:22:

Motion by Nick Emery and seconded by Donna Hollow Horn Bear to accept the report presented by Ted Hamilton, Executive Vice President and to put the following items on the agenda for Board action: 1) Shared Governance (routing slip); 2) Organizational Chart and 3) Approval of 2022 SGU Graduates. Report: Debra Bordeaux, VP/Institutional Advancement

Ms. Bordeaux’s reported included the following:

--Maggie MacKichan long-time employee and director of the Art Institute retired. The Tad Beck Foundation, SGU’s largest donor funded the Art Institute. Since the passing of Mr. Beck the family was asked if they would want the Art Institute named after Tad Beck. Although the family is grateful they responded that this is not how he is and not what he would have wanted. The family was presented with some gifts and they did want to come back in August (during graduation) which they eventually decided would not work; but will come back in September during the Art Market. The foundation will continue to be involved with Sinte Gleska University.

--Talked about a group of 5 people who came from Italy whom were taken on a tour of SGU, asked to and met Victor Douville, visited the bookstore and attended a sundance. Their organization and themselves personally will become donors.
